MERRELL.

Trails of Europe.

The Merrell Trail Team has journeyed across the continent in search of some of the finest trails in their homeland.

Did you know the British Isles were made up of over 6,000 islands?

No, us neither. The Merrell Trail Team has left the mainland to go in search of trails less travelled in some of the UK most remote and beautiful places. A celebration of lands that are all at sea - the athletes shine a spotlight on three islands rich in history and beauty to uncover their culture whilst on the run.
