Runs like a dream.

Saucony

Autumn 2022 Edition

SPORTSSHOOSES.COM
FOR THE LOVE OF IT....

Putting in the miles, hammering away at shaving seconds off and fitting it all in alongside a million other life commitments...sometimes it's easy to lose sight of why we do this.

So, whether it's leaving the watch at home for a day or venturing out into the unknown on new trails, every so often it's good to get back to running, hiking or whatever it is that's your thing; just for the exhilaration, the endorphins and the pure enjoyment of it.

This edition, from the fastest, plushest running shoes to storm proof apparel that can handle anything the elements can throw at you, we've everything you need to make the most of the Autumn Winter season.

So, get out there and keep going... for the love of it.

Thanks as always for your business

Brett Bannister
Managing Director

GIVE YOUR OLD SHOES A SECOND CHANCE

We've partnered with Jog On and Evri, to get shoes to those who need them in 15 destinations around the world.

So, look in that cupboard, garage, under the bed. They may be old to you, but Jog On will give them another chance with someone else.

RUNS LIKE A DREAM.
saucony TRIUMPH 20

Explore the Streakfly at sportsshoes.com/nike

NICE ZOOMX STREAKFLY

Your ultra-light racing shoe for 5K and 10K speed.

Nike’s lightest racing shoe, the Nike ZoomX Streakfly is all about the speed you need to take on the competition in a mile, 5K or 10K race. Low profile with sleek details, it feels like it disappears on your foot to help you better connect with the road on the way to your personal best.

£134.99

Get Involved.
Explore the Alphfly at sportsshoes.com/nike

These rocket ships are made to help shave precious time off your personal records without surrendering the foundation you need to go the full distance. A thick, lightweight support system marries the 2 worlds of comfort and speed in holy running matrimony. Enjoy the greatest energy return of all our racing shoes while you chase your personal bests.

£269.99

Explore the Vaporfly NEXT% 2 at sportsshoes.com/nike-vaporfly

Continue the next evolution of speed with a racing shoe made to help you chase new goals and records. It helps improve comfort and breathability with a redesigned upper.

£224.99
Discover the HOVR™ Storm Collection at sportsshoes.com/under-armour

STORM OUTRUN THE COLD JACKET
A water-resistant jacket that is also incredibly light and breathable. That means you can run without worrying about the forecast.
£104.99 M: UND 8548

STORM OUTRUN THE COLD TIGHTS
A baselayer that keeps you warm and dry without being bulky or riding up, so you can stay focused all season long.
£74.99 M: UND 8545

UA HOVR™ SONIC 5
A no-brainer for runners who like distance but want more flexibility, a breathable feel, and the real-time feedback of Form Coaching from UA MapMyRun™.
£114.99 M: UND 8557

HOVR™ MACHINA 3 STORM
UA HOVR technology delivers supreme energy return, response and propulsion while a UA Storm upper repels water without sacrificing breathability.
£149.99 M: UND 8533

THE RAIN WILL QUIT BEFORE YOU DO

UA HOVR™ INFINITE 4
Under Armour kept the reliable, smooth, secure feel of the Infinite you love…but they simplified the upper, flipped the UA HOVR™ cushioning, and rethought the sole, giving you a lighter, softer, more durable every day running shoe.
£114.99

SMOOTHER RUN YET
Under Armour unwrapped and flipped UA HOVR™ cushioning to absorb the most impact, secure your foot, and propel you forward.

KEEPING IT SIMPLE
One-piece, airy mesh upper makes the whole shoe lighter - no excess here.

INFINITE MILES OF COMFORT
Deeper flex grooves and higher-abrasion rubber in the heel give you an even smoother run.

Discover the HOVR™ Infinite 4 at sportsshoes.com/under-armour

BETTER EVERY DAY
Fresh Foam X 880v12

Running every day is hard. Now it’s soft too.

Built to provide consistent performance for the neutral runner. The Fresh Foam X 880v12 represents a new generation set-up of the silhouette’s workhorse reliability with the smooth transitions of a reimagined dual-layer midsole.

£139.99

Explore the 880v12 at sportsshoes.com/new-balance

---

With fine-tuned underfoot cushioning and an overall streamlined look, the Fresh Foam X 1080v12 represents a subtle but impactful evolution of the flagship Fresh Foam running shoe.

£159.99

M: NEW 694393 (Black)
M: NEW 694390 (White)

Explore the 1080 v12 at sportsshoes.com/new-balance
The faster you starts now.

Built for marathon runners who never let up. The two-layer FuelCell midsole combined with a carbon fiber plate delivers impressive energy return with innovative Energy Arc technology, and the bootie upper construction provides a locked-in fit and feel.

SC Elite v3 NYC Edition

£219.99

Explore RC Elite v3 at www.sportsshoes.com/new-balance-fuelcell
ADIZERO ADIOS PRO 3 is the ultimate long-distance road racing shoe, for fast runners looking to take their performance to the next level and run after new records. £219.99

ENERGYRODS 2.0
All in one piece for harmonious stiffness and energy return.

LIGHTSTRIKE PRO
Two layers of our most resilient foam. Proving the best experience for the runner during racing and training.

CONTINENTAL + TEXTILE RUBBER
Premium outsole crafted to create traction.

ADIZERO BOSTON 11
Mid- to long-distance running shoes made in part with recycled materials. They bring a race-day feel to training with a propulsive feel that comes from ENERGYRODS, which limit energy loss underfoot. They're fast, but that does not come at the cost of durability — the midsole mixes ultralight Lightstrike Pro cushioning with durable Lightstrike EVA. £139.99

It’s your time.

Max energy return.
PWRRUN PB gives you a lightweight and bouncy feel with max energy return.

An effortless stride.
PWRRUN Frame supports your foot upon landing and its curved shape propels you to a snappy takeoff.

A fit like no other.
With deeper contouring into the midsole, you sit into the shoe, instead of on top of it, for an incredibly personalised and supportive fit.

**TEMPUS**
Meet Tempus—a revolutionary experience that’s the first of its kind. It’s got that incredible superfoam bounce you’ve been missing combined with the adaptive guidance system you need to perform at your best. Don’t snooze on this one.

£164.99

**TRIUMPH 20**
Gear up for a run you don’t even have to think about (if you don’t want to). With the Triumph 20, every detail supports maximum comfort and softness that lasts.

£154.99

Runs like a dream.

Brand new ride.
Perfectly balanced, this shoe’s geometry and shape give it rocker-like attributes with an everyday twist.

Upgraded cushioning.
It’s everything you love about our lightest-ever PWRRUN+ foam cushioning, but with more pop.

Comfort to go.
With a completely new upper and lacing design, you can step into a shoe that feels like it was made just for you.
The Clifton 8 continues to deliver the perfect combination of soft and light.

NO SPEED

Protection.
New protective rock plate gives you a smooth and more flexible ride and sheds moisture more easily.

Grip.
Redesigned traction-rich PWRTRAC outsole helps you dig in and take off with speed.

Comfort.
Enjoy an extra layer of comfort with a new sockliner made with PWRRUN+ cushioning.

Peregrine 12
Named for the fastest bird on earth, the agile Peregrine 12 more than lives up to its name. Stripped down for blistering speeds, it’s time to get comfortable free-flying across the trails.

£129.99
Prepare to run lighter, with a softer ride, greater bounce and more underfoot trail control. The new TRAILFLY ULTRA G 280 gives trail runners the ultimate in long distance performance. Boasting an exciting new nitrogen-infused midsole foam that is light and sustainable, you’ll feel connected to the trail like never before in running shoes that flex and spring while cushioning your every step.

£164.99
This trail beast is updated with Vibram® Megagrip with Traction Lug for upgraded grip and braking power on loose soil.

£129.99

The same lines are here, just updated with new textiles and construction, including a breathable, single layer jacquard mesh and two-part PROFLY™ midsole with our lightest, most responsive HOKA foam just underfoot.

£159.99
Unparalleled grip and lightweight cushioning for all terrains.

Wherever the trail takes you.

**FUJI LITE 3**
Key updates include a greater percentage of recycled textiles for the upper construction. This allows us to reduce waste and re-use leftover resources. £124.99

The Merrell Trail Team has journeyed across the continent in search of some of the finest trails in their homeland.

**Did you know the British Isles were made up of over 6,000 islands?**

No, us neither. The Merrell Trail Team has left the mainland to go in search of trails less travelled in some of the UK’s most remote and beautiful places. A celebration of lands that are all at sea - the athletes shine a spotlight on three islands rich in history and beauty to uncover their culture whilst on the run.

HIKE
WELCOME TO THE GREAT OUTSIDE

HIKE YOUR OWN HIKE WITH KEEN’S TRIED-AND-TRUEST HIKING BOOTS.

KEEN CIRCADIA MID CUT - £114.99
Keen carried over the fit, durability, and performance of their award-winning Targhee waterproof boot and took its rugged looks to a new dimension.

KEEN CIRCADIA LOW CUT - £104.99

KEEN RIDGE FLEX MID - £159.99
Keen took the trusted fit of their iconic Targhee hiker and paired it with Keen’s new KEEN.BELLOWS FLEX technology to reduce the energy each step takes.

KEEN TARGHEE III MID - £139.99
Whatever kind of hiking you like to do, comfort, protection, and traction are non-negotiable “must-haves.” So Keen built a perfectly cushioned, waterproof, grippy hiking boot that checks all the boxes. All hike. No compromises.

We’re all out there connecting with nature.

But it might look a little different for each of us. So Keen took the tried-and-true comfort and durability of their fan-favorite hiking boots and created more ways to get outside. It’s the iconic fit you love made for the kind of hiking you love. Hike your own hike.
CROSS HIKE MID GORE-TEX 2
Grounded in adventure

Keeps you firmly grounded, featherlight and fully protected. Multi-directional deep lugs aggressively bite the ground, while a higher cut ups the ankle support and protection.

£164.99 Trail

ANY PATH.
YOUR WAY.

Get ready to power through uphills & descents with the updated X ULTRA 4 GORE-TEX. It is as agile as a trail-running shoe but with all the stability, grip & waterproof protection you need to tackle technical terrain.

Adizero Boston 11

Mid- to long-distance running shoes made in part with recycled materials.
They bring a race-day feel to training with a propulsive feel that comes from ENERGYRODS, which limit energy loss underfoot. They’re fast, but that does not come at the cost of durability — the midsole mixes ultralight Lightstrike Pro cushioning with durable Lightstrike EVA.

£139.99

With fine-tuned underfoot cushioning and an overall streamlined look, the Fresh Foam X 1080v12 represents a subtle but impactful evolution of the flagship Fresh Foam running shoe.

£159.99

Fresh Foam X 880v12

Running every day is hard. Now it’s soft too.

Built to provide consistent performance for the neutral runner. The Fresh Foam X 880v12 represents a new generation set-up of the silhouette’s workhorse reliability with the smooth transitions of a reimagined dual-layer midsole.

£139.99
Max energy return.

PWRRUN PB gives you a lightweight and bouncy feel with max energy return.

An effortless stride.

PWRRUN Frame supports your foot upon landing and its curved shape propels you to a snappy takeoff.

A fit like no other.

With deeper contouring into the midsole, you sit into the shoe, instead of on top of it, for an incredibly personalised and supportive fit.

£164.99

*TEMPUS*

Meet Tempus—a revolutionary experience that’s the first of its kind. It’s got that incredible superfoam bounce you’ve been missing combined with the adaptive guidance system you need to perform at your best. Don’t snooze on this one.

£154.99

*TRIUMPH 20*

Gear up for a run you don’t even have to think about (if you don’t want to). With the Triumph 20, every detail supports maximum comfort and softness that lasts.

Brand new ride.

Perfectly balanced, this shoe’s geometry and shape give it rocker-like attributes with an everyday twist.

Upgraded cushioning.

It’s everything you love about our lightest-ever PWRRUN+ foam cushioning, but with more pop.

Comfort to go.

With a completely new upper and lacing design, you can step into a shoe that feels like it was made just for you.
